Using this catalogue

All prices are in pounds sterling and exclude VAT. Original prices are the prices before promotional reductions.

Unit / case gives the priced unit, followed by the order multiple where applicable. Each / 6 means the price is per piece, ordered in sixes.

Click a product entry to open it online. A dash means no supplier code is recorded. Colours, lengths and sizes are grouped for easier reading; exact options are shown on the product page.

Range photographs illustrate related sizes and finishes. Category lifestyle scenes are AI-created styling suggestions based on product photographs.

Prices and product information reflect our records on 25 September 2026. Please confirm the chosen specification when ordering.
